Draft v0.9 pending review by counsel. Modeled on current practice among comparable private-markets platforms. What we use

Essential cookies: sign-in session, security tokens, your preferences (for example the tab you had open). These are required and cannot be turned off. Analytics: first-party page counts to understand which pages are used; no third-party advertising cookies and no cross-site tracking. We do not use cookies for advertising.

Your controls

Where the law requires it you will see a notice on first visit that lets you accept or decline non-essential cookies; you can change your choice at any time from the footer link. Your browser also lets you block or delete cookies; blocking essential cookies prevents sign-in.
